Name: _____

Throughout the day, we want food to eat ***"Right This Very Minute"*** for breakfast, lunch, snacks and dinner. For people to have food to eat, farmers grow crops (plants) and raise livestock (animals) on their farm. Farmers need tools and equipment to do their work.

Look at the list of items below.

Decide if each item comes from a crop (plant), livestock (animal), or is a tool or piece of equipment a farmer uses.

Classify each item by writing it in the correct column.

eggs	bucket	syrup	apples
tractor	cranberries	rake	boxes
hamburger	thermometer	lettuce	soil sensor
strawberries	milk	truck	potatoes
shovel	carrot	oranges	cheese

From a **PLANT** (crop)	From an **ANIMAL** (livestock)	**TOOL** or **EQUIPMENT**
